Philadelphia Wins by 6-3, 5-7, 6-4, 5-7, 6-3 in Fourth Round; Garland and Williams Advance in Doubles Contest at Wimbledon

WIMBLEDON, England, June 26 (By The Associated Press).—William T. Tilden, of Philadelphia, won his match in the fourth round of the British lawn tennis championship here today, defeating Lieutenant Colonel Algernon A. R. F. Kingscote in five sets, 6-3, 5-7, 6-4, 5-7, 6-3. This result puts Tilden among the last eight for the championship.

Before play started no one in the press box considered the Englishman had a chance of winning and some spectators among whom the betting instinct was strong, were giving odds of 5 to 1 that Kingscote would not take a single set.

The match between the American and the captain of last year's English Davis Cup team was hard fought from the start. The center court, which is the most popular one, was a crowd packed as densely as the accommodations could stand when the play opened with Kingscote serving.

The American opened carelessly, dropping his service game, but capturing his opponent's with deep drives. He won his second service and led, two to one, and then three to one. Kingscote equalized matters with a steady return and clever placing, while Tilden was netting many off the ground on the backhand, as well as in shoulder-high volleys. From the sixth game on, however, the American spurred, capturing three games in succession, and taking the first set 6-3.

Britain Takes Second The second set opened with an unexpected turn in the Englishman's favor. He won the first game, and reached vantage in the fourth. Tilden here made a big effort and sent over three of his super-services, thus winning his first game in this set. Steadily then he played in brilliant form, placing splendidly on volleys, he made the score three-all. Kingscote, too, was playing finely and occasionally making extraordinary recoveries, as well as showing anticipation of his opponent's intentions that was akin to second sight.

In the third set Kingscote continued playing strongly, taking the lead four games to two, but stopping there, Tilden taking four games in succession and winning the set. The match was evened in the fourth set, which Kingscote captured after another hard battle. In the final set both players were going well and the score reached three-all, when Tilden rallied for the match.

It is considered remarkable that Tilden dropped seven service games throughout the match, and it is the more surprising because against his opponents in the present tournament he almost never conceded a service game.

Tilden next will meet the Australian player, Randolph Lycett. R. Norris Williams, of Boston, in his next match will be against T. MacGregor, of the British Davis Cup team, while Charles S. Garland, of Pittsburgh, will have as his opponent C. R. Blackbeard, of South Africa.

Defies Physician's Orders In their match in the fourth round of the British styles, P. M. Navrozdato, of the British Davis Cup team, defeated B. I. C. Norton, champion of South Africa, 6-1, 7-5, 8-6. Norton, who had defied his physician's orders, his physicians having advised him not to compete, owing to the effect they feared upon his heart. As a result of his match Navrozdato will meet R. Norris Williams in the final match.

In another fourth round match Zenzo Shimizu, the Japanese crack, defeated A. G. Zeriendi, a diminutive Greek, who was the best player in Egypt. The scores were 6-0, 6-0, 6-0.

In the third round of the ladies' singles Mrs. Franklin I. Mallory (Miss Bursford), beat Miss Dransfield, 6-7, 6-0. Mrs. M. J. Mallory, who was formed and played steadily.

In the championship doubles competition Williams and Garland, the Americans, easily defeated Simond and Morris.

Mrs. Barlow Wins Over Mrs. Knight in Shawnee Golf Final

SHAWNEE - ON THE DELAWARE, Pa., June 26.—Mrs. Ronald H. Barlow, Philadelphia, woman's Eastern golf champion, today for the seventh time won the annual tournament of the local Country Club when she defeated Mrs. Charles Knight, of Garden City, the former English star, in the final match, 7 up and 6 to play.

As a result of the victory Mrs. Barlow retained possession of the Lenape trophy. She played exceptionally good golf, aside from the seventeenth hole, where she had a streak of bad luck and took in three strokes for the hole.

In winning today's match with a medal score of 83 Mrs. Barlow came within one stroke of equalling the record of 82 made by Mrs. W. A. Gavin, of New York, in the woman's national championship last fall.

Had it not been for her 9 on the seventeenth Mrs. Barlow would have set a new record.

Miss Zinderstein Wins National Championship

DETROIT, June 26.—Miss Marion Zinderstein, of Boston, won the woman's national clay court tennis championship here today by defeating Miss Corinne Coe, of St. Louis, 6-0, 6-1. Miss Zinderstein played a back court game, and her volley shots were too fast for the defending champion.

Miss Eleanor Tennant, of Los Angeles, and Miss Florence Ballin, of New York, won the women's national doubles championship by defeating Miss Gould and Miss Roberts each, of Cleveland, 6-3 and 6-2. The victors took six straight games in the second set.
